

# Higher Education Within Reach<sup>SM</sup>

"The education that I received from Southwestern College Professional Studies makes me relevant for the future and beyond because leadership is something all organizations have in common. I have attended several institutional organizations (colleges and universities); however, Southwestern College is by far the best when it comes down to an education that is relevant for the future."

- Cecil Hughes,  
Chief Warrant Officer  
May 2012 Graduate

## Fort Riley SUMMER 2013 On Ground Courses

Southwestern College Professional Studies offers courses on post just one night a week for six or twelve weeks. Our Military tuition rate of \$250 per credit hour is available to anyone (military or civilian) who takes classes on post.
